No 803/mlg98-09—2

From

Secretary to the Government of His Highness
the Maharaja of Mysore, Genl and Rev Depts

To

The President of the Bangalore city Municipal
Council

Dated Bangalore, the 15th March 1910

Genl. and Rev
Secretariat.

Sir,

Referring to your letter No. 161 dated the 31st January 1910 submitting for sanction a copy of the draft by-laws re: bakeries, sweet-meat shops, native hotels, and manufacture, preparation and sale of ice and aerated waters, I am directed to state that under the Municipal Regulation of 1906, a license is not necessary to be taken out for using a place as a bakery or a sweet-meat shop or hotel &c or for the manufacture of ice or aerated waters. Places used for the purposes referred to above do not come under section 48(1)(b) or 139 of the said Regulation.

It

2

It is clearly stated in clause (5) of section 139 that the rule contained in that section applies to a hotel or eating house. What the by-laws framed under clause (c), sub-section (1) of section 48 may provide for is the inspection and cleanliness of hotels and other places used for the sale of food or drink not coming under clause (b) of the said sub-section, and the wholesomeness of the articles prepared, kept or sold therein. Except to this extent the use of places for the purpose referred to above cannot be interfered with by prescribing licenses or otherwise.

2. I am to request you therefore to be so good as to place the draft by-laws before the Municipal Council for reconsideration and revision. I am further to request that in resubmitting the by-laws the objections presented with regard to them may also be forwarded as directed in clause 3 of section 48 of the Regulation.

I have the honour to be,

Sir,

Your most obedient servant,

Sd. C.S.Balasundaram Iyer

Offg. Secretary to Government.

READ— Correspondence ending with letter No 198 the 2nd August 1910 from the President of the Mysore City Municipal Council, submitting the marginally noted bye laws, and stating that the provision that a license should be taken out for using a place as a bakery, or sweet shop, ~~or hotel~~ a hotel or for the manufacture of ice or aerated waters made in these bye laws is necessary though the Municipal Regulation does not prescribe a license ~~over~~ for

ORDER THEREON— No

SUBJECT

for these places and requesting that the bye-laws may be sanctioned with the proviso above provision being retained therein, pending the Amendment of the Municipal Regulations, so as to make the obtaining of licenses obligatory in the cases referred to.

Order thereon No 4860 dy 5.12.10
mc 9702

The provision regarding the taking out of licenses in the three bels of the bye-laws in question is expunged as the Municipal Regulation is not warranted by the provisions of the Municipal Law. Govt do not see the necessity for amending the law as ~~suggested~~ 2 The draft bye-laws are sanctioned as with the above proviso and a few alterations, and they are appended hereto

Bye-law re bakeries and sweet-meat shops framed under Section 48(1)(c) of the Mysore Municipal Regulation of 1906

I. A bakery or sweet-meat shop includes any building or part of a building used for any process connected with the baking of bread or preparation of sweets for sale.

Any person who shall appear, act or behave as the person in charge of a bakery or sweetmeat shop shall be deemed and taken to be the keeper or manager thereof.

II. All premises used as bakeries and sweet-meat shops shall satisfy the following conditions -

(a) The premises shall be sufficiently spacious and suitable for a bakery or sweet-meat shop

(b) The premises shall have a water connection from the water-main and such connection and all fittings thereof shall be kept in proper order and efficient action so as to provide for use on the premises a sufficient supply of water for the purpose of thoroughly washing and cleaning such premises

(c) The walls of every bakery or sweet-meat shop shall be rendered impervious to the extent of four feet from ground level by cement plastering and the rest plastered with chunam and whitewashed, the whole floor shall be either cemented or paved with Cuddapah slabs with cement pointing and drainage sufficiently provided

(d) No part of a bakery or a sweet-meat shop shall be within thirty feet of any cess-pit or latrine nor in a position where bad odours wafted therefrom shall reach it

(e) No place used as a bakery or a sweet-meat shop shall be used for any other purpose whatsoever

III All utensils and other furniture shall be kept clean

IV The flour, sugar, ghee, water and other materials used in the manufacture of bread and sweet-meat shall be good and wholesome. There shall be a separate store-room or receptacle for flour and sugar, and no flour or sugar shall be left lying on the

the floor or against the wall in part of a bakery or a sweet-meat shop

V All refuse and dirt in and about the premises shall be swept off and the drains well flushed and the premises at times maintained in a clean and tidy condition

VI No person suffering from a contagious or an infectious disease or who has recently been in attendance such person or who is unwashed or otherwise unclean shall be employed in a bakery or a sweet-meat shop and all kneaders engaged in kneading shall wear white clean linen, or cotton to cover entirely the front part of the body from neck to

VII No person shall soil the kneading table in any way.

VIII No person shall transport for sale bread or sweet-meat from any one place to any other place, except in a closed vehicle or in a closed basket, tin or other receptacle Every such vehicle, basket, tin, or other receptacle shall at all times kept thoroughly clean and no person shall commit any act which may tend to render any bread or sweet-meat which is being ported, dirty or unwholesome

IX All papers and leaves used for wrapping bread, sweets, shall be clean and stored in a clean rack

X Bread, sweets, etc, shall be stored and kept for sale with all reasonable precautions against contamination from flies, dust and bad odours

XI Any infringement of any of the above bye-laws shall render the offender liable, on conviction, to a fine not exceeding Rs and to a further fine not exceeding Rs.5/- for every day of such conviction during which such infringement continues, provided that the total amount of the fine shall not exceed Rs.

Bye-law re. Native Hotels or eating houses, framed under Section 48(1)(c) of the Mysore Municipal Regulation of 1906.

I. An eating house or hotel includes any house or place where cooked rice, mutton, beef, poultry, vegetables, dhall and confectionery or refreshments including chappaties, rice-cakes,

tea, coffee, etc, are prepared and kept for sale

Any person, who shall appear, act or behave as the person in charge of an eating house shall be deemed and taken to be the keeper or manager thereof

II All eating houses and native hotels shall satisfy the following conditions -

(a) All premises used as such shall be sufficiently spacious suitable for the purpose

(b) The premises shall have water connection if the President thinks that the business is carried on a large scale. water used in the premises for drinking purposes shall be from the Public Water-Supply ~~(Hemmeghatta water)~~ and shall be clean and free from floating impurities in a suitable covered clean receptacle The receptacles for the storage of water shall be placed in a clean place ~~[illegible]~~ feet above the ground level and provided with a tap so that the water may be drawn off

(c) The walls of every eating house shall be impervious plastered and well-cemented to the height of four feet from ground and the floors of kitchen, dining and bath rooms shall be rendred impervious either by paving with Cuddappah well by cement plastering

(d) Kitchen and bath rooms shall be ventilated and provided with proper smoke vents so that smoke may not pervade into dwelling houses All rooms in eating houses shall be well lighted and ventilated

III The proprietor or the person in charge shall not allow persons to dine in any other place but the dining hall.

IV All utensils and other furniture shall be kept clean all metallic vessels used in the cooking or for keeping stuffs, shall have a continual lining of tin, and no lead of any sort shall be used for any purpose. All reasonable cautions shall be taken to preserve cooked food, pastry, meats confectionery, or preserved, dried, or cut fruit intended for human consumption from contamination from flies, dust or odours.

No feed-stuff of any sort shall be stored or exposed for sale in the premises, which is stale, unwholesome, offensive, or in any way unfit for human consumption

VI All refuse and dirt in and about the premises shall be swept off and the drains well flushed and the premises at all times maintained in a clean and tidy condition There shall be sufficient latrine accommodation and the latrine shall be kept clean and the night soil shall be covered with ashes or earth and removed daily

VII No person suffering from a contagious or an infectious, or a loathsome disease, or who has recently been in attendance on such person, or who is unwashed or otherwise unclean, shall be employed in an eating house

VIII All premises and all cooked and uncooked food stuffs and vessels, shall, at all times, be open to inspection by the President, the Health Officer or other officer authorized on their behalf

IX All cases of dangerous infectious diseases such as cholera plague, eruptive fevers, such as small-pox, chicken pox, measles and fevers of more than seven days' duration, shall be notified to the President forthwith

X Any infringment of any of the above bye-laws shall render the offender liable on conviction to a fine not exceeding Rs.50/- and to a further fine not exceeding Rs 5/-for every day after such conviction during which such infringment continues, provided that the total amount of the fine shall not exceed Rs 500/-

---

Bye-laws re manufacture, preparation and sale of ice and aerated waters framed under Section 48(1)(c) of the Mysore Municipal Regulation of 1906.

I No place shall be used for the manufacture, preparation or sale of ice or aerated waters unless approved by the President for the purpose

II. All ice and aerated water factories shall satisfy the following conditions:- (1)

(1) Manufacture of Ice

(a) There shall be water connection from the public water supply (~~Municipal water~~) to the factory premises
